Delaware State Fire School

Hazardous Materials Operations Certification Examination

Purpose

To allow firefighters who meet the necessary prerequisites to challenge a nationally recognized examination for the purpose of being certified under the National Board on Fire Service Professional Qualifications.

Audience

Any fire department/company member who meets the requirements as specified.

Written Exam

The written examination for Hazardous Materials Operations certification consists of multiple-choice questions. Test questions and required skill evolutions, are based on the NFPA 472.

Study Material

It is suggested that the applicants use the IFSTA Essentials of Fire Fighting and Fire Department Operations, 6th Edition as a study guide for the written tests and practical evaluations.
